

## Presidents Letter

March 15, 2020

Fellow Association members,

In the last 48 hours major events have happened in the world and our country regarding the Corona Virus outbreak. Both the Federal and State Government have declared states of emergency and numerous postponements and cancelations of events have happened. The practice of "Social Distancing" will help us avoid getting the virus and to deprive the virus of the new hosts it needs to stay alive.

This approach will not work unless we all do it.

With that said, I feel it is prudent for our association to temporarily postpone all person to person Board of Director and Committee meetings until we receive an "All Clear" from medical experts in the community. We will re-evaluate this decision on April 27<sup>th</sup> and continue as needed. This action is taken with the authorization of Florida State Statues and Article 6 of our Association Bylaws.

The postponement of face to face meetings will be supplemented by using conference calling for our Monthly Board of Director meeting, Architectural Review Committee (ARC) and Hearing Panel. Sunstate management will be the focal for setting up the calls. Michelle has told me that the system can accommodate up to 100 callers at one time so there should be no issues accommodating association members. Connection information on Board Meetings and Committee meetings will be posted on the Association web page at [www.myjacarandawest.com](http://www.myjacarandawest.com).

Michelle has also informed me that Sunstate offices will be limiting walk ins and many team members will begin utilizing their remote office capabilities. The phone system and email access will remain unchanged. If you need any assistance or have any questions regarding the above, please feel free to contact Sunstate at 941-870-4920.

I thank you all for your cooperation in advance and hope that this crisis will pass sooner than later. If you have any questions you may also contact me at [president@myjacarandawest.com](mailto:president@myjacarandawest.com).

Be well and stay healthy

*Jack Jackowski*

President, Jacaranda West HOA #1
