

Presidents Message

October 2020

Fellow Association Members,

First, a hearty welcome to all our returning seasonal members. It has been a relatively quiet summer season and I hope that we continue to have a quiet finish to hurricane season. We will see.

2020 continues to be a challenging year. Due to the current Covid pandemic staging a gathering of large number of people is a concern in finding a venue and for the safety of the participants. Ever since March, Board of Directors meetings and other meetings have been held using Zoom Conferencing or Teleconferencing methods.

Such will be the case for our "Meet the Candidates" meeting and the Associations Annual Membership Meeting. Other associations have used this type of meeting with good results. Since this is the first time we have used this type of meeting for the Annual Membership Meeting, the Board passed a resolution to allow the use of this technology to hold the meeting electronically.

The Meet the Candidates conference will be held Tuesday October 27th at 6:00pm. There will be two ways to connect. Using the Zoom link that will be sent to all association members or connecting via teleconference. All the candidates will be available for questions.

Our Annual Membership Meeting will be held on Thursday November 12th at 7pm (6:30 sign in). Once again association members will be able to connect via Zoom or Teleconference. Our Zoom connection has a capacity of 500 connections so there should be plenty of room for all to attend.

A mailer will be sent out along with emails and information on our web site on how to connect to the Meet the Candidates conference and the Annual Members Meeting.

So that brings the question "How will we vote for candidates and any association business?". All voting will be conducted by mail. The Board of Directors Ballot and any association business will be included in the package that you will be receiving shortly. The package will also include a pre stamped envelope to return the ballots and proxy. It is extremely important to mail the ballots and proxy to arrive prior to the 12th of November.
